Calculate how many hours the child will be attending. Deduct 20 hours ECE or what ECE hours the child is doing then the balance is the number of hours the family pays at \$4.80 per hour.

I.e. child comes 35 hours - 20 hours ECE = 15 hours at \$4.80. Total to pay is \$72.00

Fees include a nutritious lunch and healthy choices for morning and afternoon snacks. Some families are entitled to child-care subsidy assistance from Work and Income New Zealand. For further details please ask the Administration Assistant or Centre Manager.
